What is this report about?

This is the ASEE annual report for 2025.

ASEE stands for:

Association for Supported Employment Europe.

The annual report tells you what ASEE did in 2025.

It also tells you what ASEE plans to do in 2026.

What is ASEE?

ASEE is a group of organisations
that work together.

These organisations are in 22 countries.

ASEE helps these organisations to give people
good support,
so they can find a job.

Supported Employment helps people find
and keep a real job,
with someone to help them.

ASEE also explains to people in the government what Supported Employment is and what these services need from government.

What happened in 2025?

New money from the European Commission

ASEE asked for money and the European Commission agreed to give it.

ASEE will get about 500,000 euros every year.

ASEE got the money in January 2026.

This means ASEE can grow and do more work.

Quality Framework

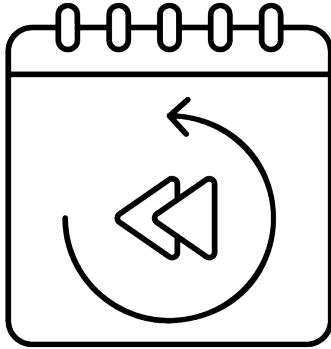

ASEE has a document called the Supported Employment Quality Framework.

We call it SEQF for short.

It helps organisations understand if they give good Supported Employment services and how the services can be better.

In 2025:

An organisation in Belgium was the first to use the SEQF to understand how good their services are and how they can be better.

The SUPPORT Project

This activity will organise many events and teach people how to provide good Supported Employment.

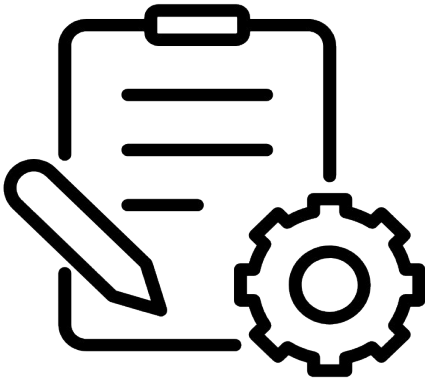

The European Commission is funding it.

16 organisations from 9 countries

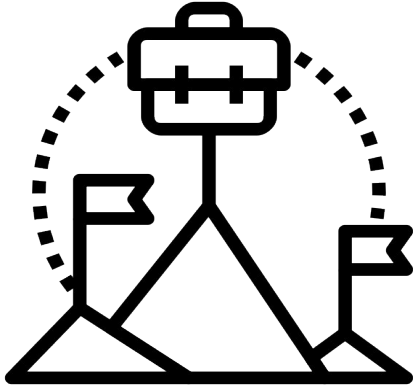

are working together

to help more people

find and keep real jobs.

The BEO Project

BEO stands for Business Engagement Odyssey.

This project helped employers
include people in jobs
who need support.

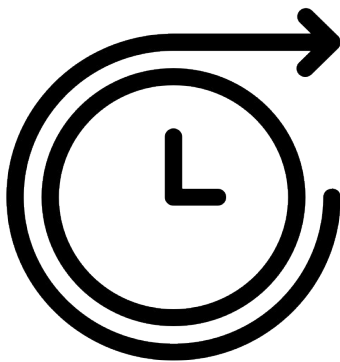

In May 2025, there was a meeting in Lisbon, in
Portugal.

It thought people how to talk to employers.

What will ASEE do in 2026?

ASEE will have new people
working for the organisation.

ASEE will explain to employers and services helping people get jobs what Supported Employment is and how to use it.

ASEE wants to help more people find jobs

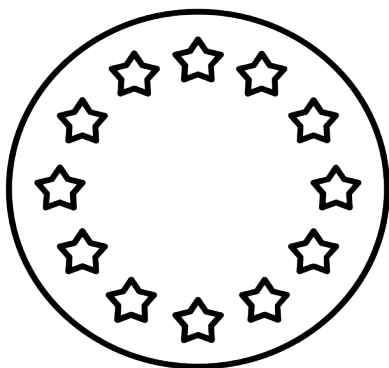

Make the Quality Framework more popular

ASEE will help more organisations use the framework.

Organisations will translate the framework into more languages.

ASEE is ready for 2026.

With new money and new people working for
ASEE,

ASEE will help more people find
and keep good jobs across Europe.
